

Perform Actions on Multiple SIMs

Choose what you want to do with your SIMs?*

- ☐ **Activate SIMs**
Bulk activate new or suspended SIMs from your stock.
- ☐ **Suspend SIMs**
Temporarily pause SIM activity.
- ☐ **Deactivate SIMs**
Disable SIMs without full termination. Can be reactivated later.
- ☐ **Change Plans**
Update the assigned data/voice/SMS plan for selected SIMs.
- ☐ **Apply Add-ons**
Attach data boosters, SMS packs, or other service add-ons.
- ☐ **Swap SIMs**
Replace faulty or lost SIMs with new ICCIDs with existing settings.
- ☐ **Update IMEI**
Attach a new device (IMEI) to your existing SIMs for tracking.
- ☐ **Enable/Disable Roaming**
Turn international roaming on or off for the selected SIMs.
- ☐ **Assign Device Group**
Bulk-tag SIMs into predefined device or enterprise groups.
- ☐ **Terminate SIMs**
Permanently disconnect SIMs. This cannot be undone.
